June 13 – June 17, 2011

Collegiate Athletics Not Turning a Profit (June 15) – In 2010, only 22 Division I FBS schools turned a profit. The other 98 other FBS programs recorded large deficits. The median deficit for those 98 programs was \$11.6 million. No FCS or Division I schools made a profit in 2010. The largest portions of athletics budgets went to scholarships and salaries and benefits for coaches and administrators. [Read more.](#)
